Requesting SPL Technical Assistance For SPL Documents w/Errors

Version 1.0

Purpose: This SPL R4 training Pathways eBook is to be utilized as a guide for requesting technical assistance with SPL documents which have technical errors.

Step one: Review the SPL training eBook # 14 to determine if interpretation and solution for error is available. If solution is available, correct SPL file and resubmit. See the eBook on this website <http://spl-work-group.wikispaces.com/SPL+eBooks+-+Graphic+Guides>

Step two: If, after review of the SPL training eBook # 14, assistance is still needed, locate **core ID** using SPL training eBook # 10 which is accessible via this web page; <http://spl-work-group.wikispaces.com/SPL+eBooks+-+Graphic+Guides>

Step three: Submit **core ID** for submission with error to the spl@fda.hhs.gov e-mail account.

Step four: After receiving technical assistance, correct submission and resubmit file(s)
